Github   : https://github.com/Bigorian

I am a Slow Walker but I never Walk Back.
"Abraham Lincoln"

About-me

I spend most of my time searching for new things to accommodate the arrival of the future, adapting to cope with it
and never stop improving myself to survive in the rapidly changing technological environment.

Education

Generation Thailand (Present)

Junior Software Developer (Boot Camp (12 Weeks))

Suranaree University of Technology in Thailand (2013-2019)

School of Metallurgical Engineering (Bachelor of Eng.)

Experience

Quality Control Inspector (Visual Welding Inspector) (April-July 2021)
Best Performance Engineering

-Fit-up follow up "Piping Drawing" and Visual Welding Inspection (ASME B 31,3) => "Welding Inspection in 'Process Piping' "

-Welder Qualified Testing (WQT) => "Preparing Process for Testing Welder"

-Welding Procedure Specification (WPS) Review => "Work follower Specification in Welding Process"

-Issue Fit-up and Visual Welding Inspection Report => "Inspection Part Fitting follower by Engineering Drawing. and check result after Welding"

Quality Control Engineer / Quality Ansurance Engineer   (July 2019- July 2020)
Nippon Steel Steel Processing Thailand

-Daily Machine Calibration and Daily Meeting => "Machine Calibration" and "Meeting about progress and problem before work everydays"

-Hardness Testing and Tensile Testing Review => "Check Result of Testing for Makesure Product Quality"

-Issue Preventive and Corrective Action Plan

-Handering Internal and External Audit

-Project Trail and Error for New Model => When have New condition of product have to preparing Processing and Testing for Confirm it' s Work

-Micro Structure Review

-Responsibility in MSA,SPC,FMEA (IATF16949 Core Tools)

-Direct contact with Customer for Solving a Problem

Certificate

Software Developer Field

Certified Code Academy	Learn HTML, CSS , Bootstrap , React , Command Line , Express
Certified SUT X-Lane	'Data Analytic for Beginner'
Certified SUT X-Lane	'Cyber Security for Beginner'

Engineering Field

Certified Counsil of Engineer Thailand	'Association of Mining Enginer'	(Metallurgical Field)
Certified TWI Thailand (CSWIP 3.0)	'Visual Welding Inspector'	Cert No: 411537
Certified World Steel Association	'Continuous Casting Process'	Cert No: TZT-UPL-TMIM
Certified CNI Inspection	(PT Level 2) Liquid Penetration Testing	Cert No: 813-20-1946
Certified Entec Quality Management	(IATF16949) International Automotive Task Force (Internal Audit)	
Certified Entec Quality Management	(IATF16949) International Automotive Task Force (Requirement Interpretation)	
Certified Thai-German Institute	(MSA 4th Edition) 'Measurement System Analysis'	
Certified SEDA	'Social Entrepreneurship' and 'Start-up Camp'
